Suggested Ice breaker –

If meeting in person -Which herb is this ? Get the life group to do a blindfolded taste test !!

This would also be a great evening to have a meal outside together including a communion meal together to celebrate and be thankful for how Jesus has paid the price for sin and is victorious over the sting of death!! Bring a little bit of heaven to earth and enjoy fellowship together as believers.

Don't feel any pressure to do every area below with your life groups pray about which points are most relevant to where your life group members are in their walk with Jesus.

Question 1

What spoke to you about what Anna said?

Question 2

Truthfully does death and the thought of eternity frighten you and why? Pray together and share scripture to encourage and help with fears over death and eternity.

Question 3

What are you most excited about when Jesus makes all things new? How can you abound in the work of the Lord, now the church is meeting 'more normally' there are many areas of service that extra help is needed in eg welcome team, kids, youth, care taking, task team, PA to name a few !!

Be sensitive to the Holy Spirit many believers fear eternity and struggle with the truth that they are saved and that Jesus will welcome them into heaven.
