The activity is a reflective exercise with time for personal reflection, some music in the background may help people. Everyone will need a piece of paper, pen and bible.

Anna said how we act in times of stress, crisis and trouble are important- we can reflect Christ or our sinful nature.

This evening honestly assess how you have responded and acted during the COVID pandemic and lockdown. Its between you and God use the contrasts in 2 Cor 6v2-13 and Gal 5v19-26 to help. Write out how you have responded in the Spirit acting as an ambassador of Christ and reflecting Christ and which traits of the flesh you have noticed in yourself. This is not intended to beat you over the head but to ask the Holy Spirit to move in great power in your life and transform you to be more like Jesus. Thank God for the work He has done in you with your Godly responses and how the Spirit of God is working in great power in and through you. Examine the ungodly responses and ask God to deeply work and widen your heart to make you more like Christ.
